**INDICTMENT**

October 2017 Term – at Alexandria, Virginia

THE GRAND JURY CHARGES THAT:

**INTRODUCTION**

1. From on or about at least August 23, 2017, and continuing until on or about September 16, 2017, in the Eastern District of Virginia and elsewhere, the defendant, WILLIAM LEWIS WEAVER, II, used the Internet to communicate threats to kill, injure, or otherwise cause bodily harm to federal officials, officers, and employees, as well as members of Virginia law enforcement.

***Background on the Defendant***

2. The defendant is a 36-year old male, who has resided in Herndon, Virginia, within the Eastern District of Virginia, since at least in or around August 2016. He is the founder of a business that provides technology consulting, website development, and related services.

3. On at least two occasions prior to on or about August 1, 2017, the defendant applied for a passport. The defendant, however, was not able to obtain a passport.

4. Since at least in or around 2011, the defendant has operated a Twitter account with the screenname @WillWeaver2.

***Background on Twitter***

5. Twitter is a social-networking platform accessible at <http://www.twitter.com> or through a smartphone application that permits its users to follow and interact with other users, including by: creating and reading messages (known as "tweets") that are comprised of no more than 140- to 280-characters and/or images or videos; and communicating in private with other users through communications known as "direct messages."

6. A tweet must be routed through one or more of Twitter's computer servers in order to be posted to Twitter.

7. Between at least on or about August 23, 2017, and on or about September 16, 2017, none of Twitter's computer servers through which tweets are routed are located in the state of Virginia.

***The Defendant's Conduct Since on or about August 23, 2017***

8. On or about August 23, 2017, at approximately the times listed in the table below, the defendant used @WillWeaver2 to post the following tweets:

Approximate Times	Tweets (All Errors in Original)
2:26:18 PM EDT	To make sure that we are all very clear, as I seem to have to spell shit out for the #deepstate...

2:26:59 PM EDT	If the nanotech is not removed, or my passport given to me by 3 weeks time, I will begin to bomb and kill #deepstate employees in mass.
2:27:17 PM EDT	Spelled out, clearly. Try to stop me and see what happens. :^)
2:30:43 PM EDT	Remember: THEY BLOCKED MY PASSPORT OVER THREE TIMES FOR NO REASON!!! I am a prisoner in this nation. See? I TRIED THE PEACEFUL OPTIONS!!!!!!
2:35:31 PM EDT	@StateDept Get me my passport.I've paid three times already.No lies, no bullshit, or it'll be bad. Simple stuff. You have less than 3 weeks.
10:02:25 PM EDT	Someone explain to me how the following logic is not sound: If I have nowhere to go, and little left, and even my body is compromised...
10:02:45 PM EDT	Why should I not begin to burn, bomb and kill as many of these cocksuckers as possible?
10:03:34 PM EDT	The logic appears to be sound. I cannot see a fault in it at this time.
10:39:24 PM EDT	I've thought of multiple ways to destroy the #cia HQ, killing the employees in the process of course.
10:40:36 PM EDT	The problem here is to be able to attempt great feats with little ability, something I've learned through business startups, which is why...
10:41:09 PM EDT	... the powerful pick up the phone when I call. VX nerve gas via drones, a capable weapon, obtainable, however with wind, and RF jammers...
10:42:13 PM EDT	I found the likelihood, the "dice-roll" to be... to have poor odds. The next is personal residents attacks, too broad, too messy...
10:42:59 PM EDT	I've stumbled upon one answer that would completely wipe out the @cia in one go, all the HQ, and employees. However I would need a team..

10:43:59 PM EDT	... but if a team is needed, than a direct assault on the compound is simply the best option. Roughly 20 to 40 #vets would be needed.
10:44:12 PM EDT	... and of course, that is written up here: CIA HQ Raid v1.2: <a href="https://t.co/tjdRbm6pze">https://t.co/tjdRbm6pze</a>
10:46:01 PM EDT	Seemingly, I cannot destroy them singlehandedly. The needed task is simply too large for me. Everyone else is simply 2 cowardly/comfortable.
10:47:38 PM EDT	As for the destruction of the @NSAGov HQ, impossible without aerial-based attacks, bombardment from above.
10:48:18 PM EDT	Unfortunately, it seems that the @usairforce can no longer be fully trusted by the US public. They are too intertwined with the #deepstate
10:49:13 PM EDT	This leaves the @USNavy and possibly the @USMC to help with the destruction of the #nsa HQ. I have my doubts that they would attack.
10:50:05 PM EDT	The only other option to destroy the #nsa HQ is a direct assault, which I assure you would be very difficult, needing many countrymen & women.
10:51:08 PM EDT	By needing, I mean dying. Most people would rather not die, so we've run into a problem here.
10:51:57 PM EDT	From that logic, I've mostly gave up on the idea of the United States. It's kind of over, or so it seems. The New United States,
10:52:33 PM EDT	... ran by the #deepstate is the new Nazi Germany. We're often the bad guys now. <a href="https://t.co/GG1PVimeKO">https://t.co/GG1PVimeKO</a>
10:53:09 PM EDT	So I decided to simply leave. However, the #deepstate has now put nanotech in my skull, and my passport has been denied by the @StateDept
10:53:45 PM EDT	So, logic would state, that my only other option is to bomb, burn and kill as many of these #deepstate mother fuckers as possible, ASAP.

11:12:25 PM EDT	@TheAnonJournal Interesting watching the #cia employees lineup at the gate when attending work@ 9am. How easily 1 could kill several of them with a shotgun.
11:13:49 PM EDT	@TheAnonJournal Just smash the at, kill the guard, & keep pumping at the drivers and reloading until dead. The only problem is that the impact isn't enough.
11:14:27 PM EDT	@TheAnonJournal Killing eight or so cia employees is a tiny drop in the #deepstate bucket, and we need near total destruction of their biological beings.
11:14:51 PM EDT	@TheAnonJournal This is a tricky problem. Unsure.

9. Then, on or about August 28, 2017, at approximately the times listed in the table below, the defendant used @WillWeaver2 to post the following tweets:

Approximate Times	Tweets (All Errors in Original)
4:28:02 PM EDT	Logic continues to dictate that bombing the cia , and shotgunning them as they lineup outside the gate at work in the morn is my conclusion.
4:29:03 PM EDT	It is only logical that this is the end of this tale, it is my best positive impact-with-vengeance I can have by myself.
4:29:43 PM EDT	The release of their personal dox may take a few other lives when I'm gone, and maybe in my death and fireworks show I'll kickoff something.
4:31:40 PM EDT	They all line up at those gates like ducks at the county fair shooting gallery, haha.All that evil just a few shotgun blasts away from gone.
5:03:39 PM EDT	I guess we'll see how this ends. I'd rather just leave the nation at this point.

10. Then, on or about August 29, 2017, at approximately the times listed in the table below, the defendant used @WillWeaver2 to post the following tweets:

Approximate Times	Tweets (All Errors in Original)
4:58:57 AM EDT	It's annoying when the hatred keeps me from sleeping. They will pay, the cia, the nsa, the insane christians, and on, and on...
4:59:29 AM EDT	There is no "fair", just bloodlust, violence, and then finally peace.
8:27:07 AM EDT	@StateDept You have about 2 weeks 2 get my passport 2 me before the devices set off and the shotgun blasts start. Tick-tock goes the clock.
9:00:43 AM EDT	For the newcomers here, the very real threat I'm stating is due to the fact that...
9:01:19 AM EDT	The Fairfax County courts have denied me my right to state attorney, meaning they plan on jailing me. @aclu @JudicialWatch ...
9:02:02 AM EDT	... I cannot allow myself to be imprisoned as they (#deepstate )will either kill me or experiment on me...
9:02:30 AM EDT	... meaning that this would end in a shootout with the police, or feds, when they come to get me for not appearing in court. See?
9:03:03 AM EDT	This means that I must act first. Do not worry too much, I've outwitted them in a few ways, and am mostly prepared for action, and death.
9:03:46 AM EDT	I have very few other options. The wolf is cornered and lashed.
9:04:46 AM EDT	Either @StateDept gets me my passport, in about a week, which I've paid for 3x now, & they deny for complete BSreasons like "computer glitch"

9:05:49 AM EDT	A foreign government sneaks me out, like @Poland or @Russia ,or we have to end this a bloody. It's a bit in the hands of the @StateDept now.
9:13:48 AM EDT	To clarify, I do not want a shootout w/ the police. I believe that my local police force are good men/women. My battle is w/ the #deepstate
9:56:23 AM EDT	@JudicialWatch @JudicialWatch The #deepstate has convinced a judge to not give me my right to a state-appointed attorney....
9:56:57 AM EDT	@JudicialWatch ... If this is not corrected, or I escape the US within 2 weeks, there will be bloodshed.Not going out like a bitch. <a href="https://t.co/f3i3nqligC">https://t.co/f3i3nqligC</a>
10:23:18 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi I warned everyone to let me out of the US or they'll be bloodshed ending with me and others dead.
10:24:39 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi ..&; it looks like that's going to be the end of this tale. Why? Unsure. Why trap a wolf and not let it go?
10:25:31 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi The person wants to leave the fucking continent, but instead is forced to be trapped, and now imprisoned.
10:28:09 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi Again, to all LEO, #deepstate , everyone. U have less than 2 weeks to get me my passport so I can leave.
10:28:58 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi Hey, it's all set on my end &; you can't stop it if so.
10:29:15 AM EDT	@ACLU @ACLUVA @JudicialWatch @fbi However, I'd rather come out of this alive, too much to do yet.
10:31:53 AM EDT	@[TWITTER USER-1] @ACLU @ACLUVA @JudicialWatch @FBI Listen, they'll arrest me in two weeks or so for not appearing in court, as the judge denied my right to a state lawyer...

10:32:37 AM EDT	@[TWITTER USER-1] @ACLU @ACLUVA @JudicialWatch @FBI ... this would mean a shootout with local law enforcement, as I cannot allow myself to be arrested. I view the police as good people too.
10:33:17 AM EDT	@[TWITTER USER-1] @ACLU @ACLUVA @JudicialWatch @FBI So, instead, they can either give me my passport to leave the nation, peacefully, I've paid 3x already, they deny for FAKE reasons..
10:34:03 AM EDT	@[TWITTER USER-1] @ACLU @ACLUVA @JudicialWatch @FBI ... so bombs and shotguns, and dox on #deepstate fams and on and on.I win, either way,I suppose. I've done well,I think,though very trying.
10:34:41 AM EDT	@[TWITTER USER-1] @ACLU @ACLUVA @JudicialWatch @FBI The ball is in their court. I just want to be as clear as possible to everyone who can see it, that I gave everyone plenty of chances.

11. Then, on or about August 30, 2017, at approximately the times listed in the table below, the defendant used @WillWeaver2 to post the following tweets:

Approximate Times	Tweets (All Errors in Original)
8:02:15 PM EDT	It's just so hard to decide what I want more, start a new life,or to kill as many #deepstate employees as possible.Tick-tock goes the clock.
8:02:59 PM EDT	@StateDept Less than a week to get that passport to me.
8:15:49 PM EDT	When the MSM calls me a psycho terrorist and all that jazz,after it all goes down,just know that I gave the feds plenty of time to back off.

5:07:40 PM EDT	<p>It's kind of like I'm playing a game of chicken with #deepstate but I have a lot less to lose.</p>

Approximate Times	Tweets (All Errors in Original)
7:03:54 AM EDT	Police rolled up on my house at 9:30pm, banging on my door. Another @StateDept clown w/ them, but they seemed to have forgotten my passport.
7:04:35 AM EDT	Talking about how I could pay them and shit all over again for my passport. Talking lies in front of the officer, again. Fake ass warrants.
7:05:41 AM EDT	Now I warned you cocksucking assbags @StateDept to get me my shit that's owned to me, yet you insult me by trying to strongarm me.
7:07:29 AM EDT	That is fucking hilarious, as we're past strongarm bullshit, past laws, past all the BS into the nasty shit now, @StateDept How I hate.

7:09:14 AM EDT	To the world around me, this sick, vile place; I gave everyone a chance to give me my shit owed to me, & piss the fuck off, but, no. Well...
7:13:49 AM EDT	Y'all will see what 1 man against such odds can do. @cia @NSAGov #DeepState U keep playing chess, & I'll destroy the board & burn the pieces.
7:43:44 AM EDT	Choose your side carefully for the upcoming #CivilWar. Many eyes are upon my situation.
8:46:47 AM EDT	So the cops roll up on my pad trying to intimidate me, and failed. So I just rolled up on their HQ and told them to back the fuck off.
8:47:20 AM EDT	They seem to get the msg. It looks like they've chosen their side in this war. Shame they decided to get involved.
8:48:16 AM EDT	I don't care if you're cia, nsa, police, military, nutty christians. If u fuck with me, I will find you and skull fuck each & every 1 of you.
8:49:04 AM EDT	Today's going to be real interesting. I'm charged up, and have a lot of work to get to. Do not come to my home unless you're looking to die.
9:48:01 AM EDT	And to clarify, when the police came over to start shot, they were antagonizing, flashlight in my eyes, making threats. I didn't back down.
9:50:27 AM EDT	They came over to get a rise outa me & start shit. I guess they did, but I kept cool enough. These are low-teir tactics. Not my first rodeo.
9:51:11 AM EDT	It might be best to assume that all are enemies at this point.
